*Marquee hire for every occasion*

# Stunning weddings and parties

*Our promise: beautiful marquees and friendly efficient service*

## No worries

An event can be stressful. There's a lot on your mind. The last thing you need is something else to worry about.

County Marquees promises to provide you with a beautiful, clean backdrop for your event that can be decorated to create the atmosphere you want.

Whatever the circumstances, we will ensure that your marquee will be erected efficiently and fast, and elegantly finished off. When your event ends, you will find that our much-praised staff are as good at clearing up as they are putting up.

## Our marquees

We mainly supply frame marquees. Instead of centre poles and ropes, these tents are supported by an aluminium skeleton around the edge which means more clear space inside the marquee.

Our marquees come in 20', 30', 40' & 50' widths and are as long as you like. They can be joined for more room or to fit awkward spaces. They can be lined, swagged, striped, blacked-out... decorated in the style or theme of your choice.

All our marquees are made from flame-retardant PVC manufactured to the latest BSI standards.

## Furniture and accessories

Alongside our marquees, we supply:

- bistro, banqueting & wooden chairs
- round tables and trestle tables
- swags in various colours
- matting, hard floors and carpeting
- dance floors
- lighting equipment - chandeliers, uplighters, par-cans, floorlights, night skies...
- staging, heaters, coat rails, picket fencing...

Most furniture requirements can be catered for even if we do not stock items ourselves.

## *Information sheet*

**County Marquees:** was founded in 1989 and specialises in the supply and hire of marquees and ancillary equipment for weddings, corporate parties, bar/batmitzvahs, anniversaries and other outdoor events.

We are an independent family company dedicated to the satisfaction of our customers. This information sheet briefly describes the type of equipment we can provide. We hope it will enable you to decide whether we can be of service to you.

**Marquees:** We provide free-standing framed marquees manufactured in accordance with BS 5438. These marquees are 10'(3m), 14'(4m), 20'(6m), 30'(9m), 40'(12m), 50'(15m) wide and can be as long as you like. All our marquees are white and have a simple classical design. The larger marquees are 7' 3"(2.3m) at the eave and rise to 12' 6"(3.9m) at the apex. All the side walls on our marquees can be easily opened should weather permit.

**Interior linings:** These are an essential part of the decoration of a marquee for weddings and most parties. County Marquees provide flat or pleated ivory roof linings with pleated ivory walls. The overall effect is simple and elegant.

The ivory background can be set off with coloured pelmets along the eave, or with coloured stripes across the roof. Linings are particularly striking when combined with either floral schemes, inventive lighting or balloons. All our linings are flame resistant and manufactured according to BS 5867 Pt 2 and BS 5438.

# COUNTY MARQUEES

**Interior linings:** We have three basic styles of lighting:

- Overhead lighting using candelabras with dimmers - 8 branch candelabras giving off 480 Watts per candelabra. These provide a good, clean overhead light.
- Uplighters - placed around the borders of the marquee. These give a 100 Watt wash of diffused light onto both side walls and roof linings. This type of lighting helps to create a relaxed party atmosphere.
- 500 Watt Parcans with coloured gels and down-lighters or pin-spots as a further option. This distinctive style of lighting combines with the ivory lining to produce a colourful and memorable effect.

We also have garden spotlights, festoon lighting, lanterns of various kinds and ever-popular starcloth linings. We are always interested in fulfilling different lighting requirements as the need arises.

**Coconut Matting:** The most popular choice for flooring is 12mm thick rolls of striped coconut matting put down over a waterproof plastic ground sheet. We ensure that our matting is well fixed down with 6" nails at each end and along the length of the mat.

**Hard flooring:** Where the ground is rough or has a tendency to waterlogging, County Marquees provides a raised interlocking hard floor. Because all the wooden sections lock together, individual pieces do not become separated. Hard flooring can be covered with either coconut matting or carpet.

**Dance floors:** Rosewood coloured dance floors with tapered edging which can be built to your requirements. Alternatively we can provide a black and white or parquet dance floor for that special occasion.
