"Thank you again - you did such an amazing job, we were completely gobsmacked when we arrived in the evening - I really don't think I've ever seen a more beautiful marquee - everyone commented on it!"

"to see so many people packing the dance floor still at 3.30am was fantastic"

"All of us - all ages! - thought that the disco was fabulous, and we have since had many complimentary 'thank-you' letters. The lighting - inside and out - looked great, and the changes of musical gear was perfectly timed! We look forward to our next party here"

"Bloody brilliant! I've put you forward for the Royal Yacht Squadron Ball in Cowes this summer"

"I just wanted to say a HUGE thank you for all that you did on Saturday - the lighting and music really made the night - could have definitely danced all night!!"

"a really memorable 21st. I have been telling everyone how good you were"
