

COUNTY MARQUEES

Marquee hire for every occasion

Stunning weddings and parties

Our promise: beautiful marquees and friendly efficient service

No worries

An event can be stressful. There's a lot on your mind. The last thing you need is something else to worry about.

County Marquees promises to provide you with a beautiful, clean backdrop for your event that can be decorated to create the atmosphere you want.

Whatever the circumstances, we will ensure that your marquee will be erected efficiently and fast, and elegantly finished off. When your event ends, you will find that our much-praised staff are as good at clearing up as they are putting up.

Our marquees

We supply frame and traditional style marquees. Frame tents are supported by an aluminium skeleton around the edge which means more clear space inside the marquee. Traditional style marquees have poles and roofs with swooping curves.

Our marquees come in 4m, 6m, 9m, 12m and 15m widths and are as long as you like. They can be lined, swagged, striped, blacked-out... decorated in the style or theme of your choice.

All our marquees are made from flame-retardant PVC manufactured to the latest BSI standards.

Furniture and accessories

Alongside our marquees, we supply:

- bistro, banqueting, chiavari & wooden chairs
- round tables and trestle tables
- swags in various colours
- matting, hard floors and carpeting
- dance floors
- lighting equipment - chandeliers, uplighters, par-cans, floorlights, night skies...
- staging, heaters, coat rails, picket fencing...

Most furniture requirements can be catered for even if we do not stock items ourselves.
